

MADIA STRIPE / STRIPE SIDEBOARD

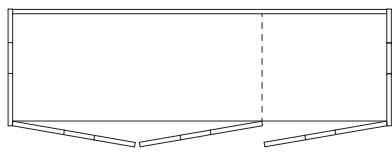

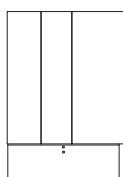

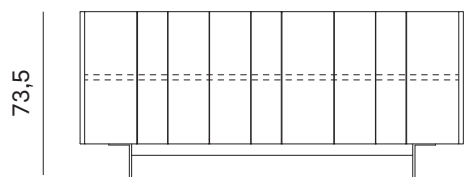

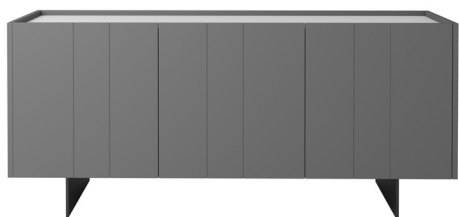

La successione delle linee verticali creano ritmo e movimento. La sporgenza delle ante rispetto al piano ne permette l'apertura. Queste sono le caratteristiche della madia Stripe sorretta da lame verticali in metallo cromato.

A run of vertical lines creating rhythm and movement. Doors standing proud of the top so that they can be gripped for opening. These are the distinguishing features of the Stripe sideboard, which stands on vertical blades of chrome-finish metal.
