

SISTEMA

# GIRO-GIRO

SYSTEM

Giro-Giro è un sistema di cassettiere componibili e modulari con cassetti disposti su ogni lato. Offre la massima libertà di combinazione perché la struttura e i frontali si possono personalizzare con diverse finiture e tonalità, creando un piacevole effetto grafico di linee discontinue che si rincorrono e si intersecano a quelle verticali, accentuate dalla piccola maniglia in metallo. Pensato come contenitore freestanding per il centro stanza - in camera da letto, dentro la cabina armadio o nella zona giorno - il sistema Giro-Giro è altrettanto funzionale in appoggio alla parete, con gambe o a terra.

*Giro-Giro System is a modular system of drawers that can be put together to create drawer units with drawers arranged on all sides.*

*It offers virtually unlimited options as the structure and fronts come in different finishes and colours that can be mixed and matched, creating a pleasing graphic effect with a run of broken lines that continuously intersect the vertical lines accentuated by the small metal handle. Designed as a freestanding unit to sit in the middle of the room - in the bedroom, inside the walk-in wardrobe or in the living area - Giro-Giro System is just as functional set against a wall, standing on legs or directly on the floor.*

**MODULARITA' / MODULE SIZE**

**ALTEZZA / HEIGHT**

A terra / Floorstanding

**ALTEZZA / HEIGHT**

Con piedini H. 13 cm / With feet H 13 cm
