

MADIA RIM / RIM SIDEBOARD

La madia Rim è un contenitore che affianca vani chiusi e vani a giorno, in un gioco di pieni e vuoti che arreda con personalità qualsiasi spazio. La scocca, disponibile nelle finiture noce e olmo termotrattato e in tutti i colori laccati opachi e ossidati, si abbina ai frontali nelle stesse finiture e in laccato lucido e ai vani a giorno in laccato opaco o ossidato. La madia, disponibile in tre varianti, è completata dal basamento, da scegliere nelle due altezze 15 o 24 cm, in laccato opaco, ossidato o metal.

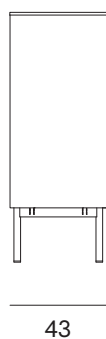

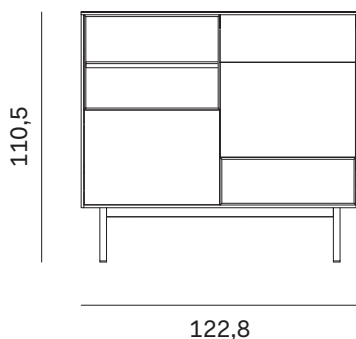

The Rim sideboard is a unit that teams closed storage with open shelving, the juxtaposition of solids and voids allowing it to furnish any space with personality. The carcass - which comes in the noce or olmo termotrattato finishes, or any of the matt and oxidized lacquered colour options - is paired with fronts in the same finishes as well as the gloss lacquered option, and with open shelving in a matt or oxidized lacquered finish. Adding the finishing touch to the sideboard, which comes in three versions, is the base, which has two height options - 15 or 24 cm - and is available in a choice of matt, oxidized or metal lacquered finishes.

MADIA RIM / RIM SIDEBOARD

MADIA RIM QUADRATA - CON BASAMENTO H. 24 CM SQUARE RIM SIDEBOARD - WITH BASE H 24 CM
