

MADIA SHADOWS / SHADOWS SIDEBOARD

Come una cornice, un'elegante gola racchiude e definisce il perimetro di Shadows. La madia, disponibile in due dimensioni che uniscono ante e cassetti, è proposta in tutti i colori laccati opachi e ossidati con basamento nelle stesse finiture e in cromo lucido o in laccato metal.

Like a frame, an elegant recess runs all the way round the edge of the doors, outlining the Shadows unit. The sideboard - which comes in two sizes, combining doors and drawers - is available in any of the matt and oxidized lacquered colour options and has a base in the same finish, polished chrome or one of the metal lacquered colours.
