

Belt è una collezione di madie il cui punto di forza è la modularità. La madia, sospesa sul basamento in metallo in tutti i colori laccati opachi, ossidati e metal, presenta diverse configurazioni, ottenute dalla combinazione di ante e cassetti per creare contenitori adatti a ogni ambiente della casa.

Belt is a collection of sideboards whose strength lies in its modular design. The sideboard - floating on the metal base in any of the matt, oxidized and metal lacquered colour options - comes in various configurations, achieved by combining doors and drawers to create storage units to suit any room in the home.
