

Easy System è un progetto che si caratterizza per l'estetica essenziale e la grande versatilità. Cassettiere e comodini diventano parte di un sistema più ampio che può comprendere anche boiserie, con o senza mensole, panche a terra, telai appendiabiti, specchi, vani a giorno, composizioni freestanding, scrittoi e contenitori Box 12, creando infinite soluzioni d'arredo. Ognuna delle componenti del sistema può essere personalizzata con l'ampia scelta di finiture disponibili, incluso il noce canaletto per i cassetti con frontali Rays.

Easy System is a design that stands out for its pared-back look and impressive versatility. Drawer units and bedside tables become part of a larger system that can also include wall panelling, with or without shelves, floor benches, clothes racks, mirrors, open shelving, freestanding arrangements, desks and Box 12 storage units, creating endless furniture solutions. Each of the system components can be customized with an extensive range of finishes to choose from, including noce canaletto for drawers with Rays fronts.
