BATTENTE

LIBERTY

HINGED DOOR

L'ampio volume di Liberty, armadio battente in laccato opaco, è scandito dal caratteristico taglio inclinato della maniglia scavata nell'anta. L'armadio può essere a incasso o a muro. Come in tutti gli armadi battenti è possibile prevedere il fianco finale in vetro e attrezzare l'interno con il divisorio telaio e illuminazione LED.

The generous mass of the Liberty hinged door wardrobe - in a matt lacquered finish - is punctuated by the distinctive slanted cut of the handle carved into the door. The wardrobe can be recessed or set against a wall. Like all the hinged door wardrobes, it can be designed with a glass end side panel and the interior fitted with the metal frame partition, which also has a LED lighting option.

ANTA / DOOR

Nei moduli battenti con doppia anta, l'anta di sinistra è sempre con battuta parapolvere. Le ante vengono fornite con cerniere rallentate e basette lineari a triplice regolazione premontate.

On modules with double hinged doors, left-hand door always has dust seal buffer. Doors come ready fitted with soft-close hinges and 3-way adjustable straight hinge mounting plates.

Note per la sicurezza / Notes on safety

L'apertura contemporanea di tutte le ante (per armadio battente o pieghevole) ad armadio completamente vuoto può causarne il ribaltamento, quindi va previsto tassativamente il fissaggio a muro.

Opening all doors (on wardrobes with hinged or folding doors) at the same time with the wardrobe completely empty may cause it to tip over, hence it must be fastened to the wall without exception.
