

MANTA_4 gambe legno / MANTA_4 wooden legs

Design Antoy Filips

Manta con gambe in legno è la sedia imbottita dallo stile semplice ed essenziale che però non rinuncia al comfort della seduta. Nata dall'estro creativo del designer Antoy Filips, questa sedia imbottita senza braccioli si configura come una poltroncina di design ed è sostenuta da gambe in legno massello di frassino tinto. Le linee e i volumi sono avvolgenti e morbidi e definiscono la seduta estremamente confortevole che si abbina ad un sostegno elegante. Il valore e l'attenzione sartoriale di questo complemento d'arredo si esprime negli importanti dettagli dell'imbottitura che riescono a valorizzare il lavoro artigianale che vi è dietro. Trova il suo spazio ideale in zone giorno di ambienti domestici ma anche in uffici e ambienti di lavoro. Le finiture sono realizzate in pelle, ecopelle o tessuto. La sedia imbottita Manta con gambe in legno è disponibile anche nella versione con gambe in metallo.

Manta with wooden legs is the padded chair with a simple and essential style which however does not give up the comfort of the seat. Born from the creative inspiration of designer Antoy Filips, this padded chair without armrests is configured as a designer armchair and is supported by legs in solid stained ash wood. The lines and volumes are enveloping and soft and define the extremely comfortable seat which is combined with elegant support. The value and sartorial attention of this furnishing accessory is expressed in the important details of the padding which manage to enhance the craftsmanship behind it. It finds its ideal space in living areas of domestic environments but also in offices and work environments. The finishes are made of leather, eco-leather or fabric. The Manta padded chair with wooden legs is also available in the version with metal legs.

FINITURE/FINISHES

Attenzione: il prodotto finito può presentare delle lievi variazioni di colore rispetto ai campioni forniti dall'azienda. I colori visualizzati sono puramente indicativi e possono variare rispetto alla realtà. Rivolgersi ad EFORMA o al proprio rivenditore di fiducia per ricevere maggiori informazioni. EFORMA si riserva di apportare modifiche e/o migliorie di carattere tecnico ed estetico ai propri modelli e prodotti in qualsiasi momento e senza preavviso. / *Attention: the final product may show slight variations in colour compared to the samples supplied by the company. The colours displayed are indicative and can vary in reality. Please contact EFORMA or your preferred retailer for more information. EFORMA reserves the right to change and/or apply technical and esthetical improvements to its models and products at any time without any notice.*

Metallo/Metal

I metalli della nostra collezione vengono verniciati a polvere così da rivestire le nostre superfici a scopo decorativo e protettivo. Lo spessore finale della verniciatura a polveri, risulta particolarmente elevata contribuendo ad una serie di rilevanti vantaggi sul prodotto verniciato: resistenza meccanica, resistenza agli agenti corrosivi, scarsa infiammabilità, precisione nell'applicazione. Le verniciature a polveri utilizzate sono totalmente atossiche e prive di solventi, per questo motivo la verniciatura a polveri è una lavorazione ECO- FRIENDLY, a bassissimo impatto ambientale. Disponibile la versione cromata dove il metallo o l'alluminio vengono rivestiti di cromo, conferendogli così durezza, resistenza chimica e resistenza all'ossidazione. / *The metals in our collection are powder coated in order to coat our surfaces for decorative and protective purposes. The final thickness of the powder coating is particularly high contributing to a series of advantages for the painted product: mechanical resistance, resistance to corrosive agents, low flammability, precision in the application. The powder coatings used are non-toxic and solvent-free, for this reason powder coating is an ECO-FRIENDLY process, with a very low environmental impact. The chrome version is available where the metal or aluminum is coated with chrome, giving it hardness, chemical resistance and resistance to oxidation.*

Legno/Wood

Il legno che viene utilizzato è tra i migliori che esistono sul mercato europeo. Viene lavorato con le migliori tecniche garantendo così resistenza e durata. *The wood which is used is one of the best available in European markets. It is worked with the best techniques guaranteeing resistance and durability.*

LEGNO MASSELLO/SOLID WOOD

Il legno utilizzato è un materiale di pregio che si caratterizza principalmente per la resistenza all'usura e per l'estetica. Durante il suo ciclo di crescita, sviluppo e maturazione, il legno si evolve nelle sue qualità come il cambio nel colore, nei nodi, e nelle vene. Essendo un materiale vivo, e naturale, può presentare delle variazioni di vene e di tonalità. *The wood used is a valuable material that is mainly characterized by its wear resistance and its aesthetics. During its cycle of growth, development and maturation, the wood's qualities. Evolve showing a change in color, in the knots, and in the veins. Being a living, natural material, it can present variations in veins and shades.*
